## Oasi di felicità

Primavera - Estate 2025

In un luogo incantevole, immerso nella quiete della campagna pugliese, il sole intenso di una tipica estate italiana illumina il paesaggio mentre il mare sussurra all'orizzonte. In questa cornice magica una mamma e una figlia si concedono attimi di puro relax e trascorrono una vacanza indimenticabile, fatta di momenti speciali e ricordi che dureranno per sempre. La casa diventa un nido accogliente dove ritrovare intimità, energia e benessere. Gli ambienti si colorano con le sfumature dell'estate, sbiadite dal sole e rinfrescate dalla brezza marina, con giochi di trasparenze cromatiche. Granfoulard interpreta con grande originalità i motivi e i decori tratti da tessuti preziosi che evocano viaggi meravigliosi in terre lontane, creando un nuovo racconto stilistico che fonde spunti e stimoli nuovi per realizzare una collezione unica, fresca e contemporanea.

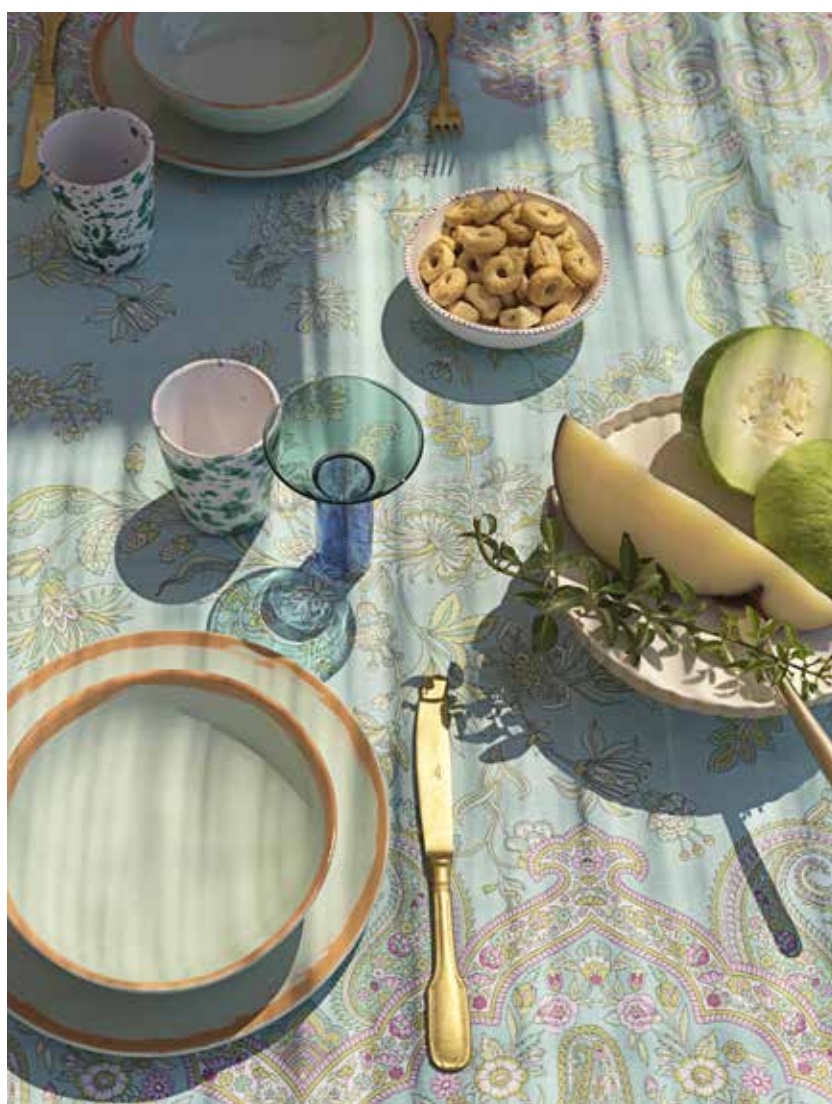

Frühling - Sommer 2025

An einem bezaubernden Ort, eingebettet in der Ruhe der Landschaft Apuliens, erhellt die intensi-ve Sonne eines klassischen italienischen Sommers die Landschaft, während das Meer am Hori-zont flüstert. Es ist ein magischer Ort, an dem eine Mutter ihre junge Tochter trifft, die von einer langen Reise zurückkehrt. Die Tochter erzählt Geschichten und Gefühle, die sich aus der Entde-ckung verschiedener Kulturen ergeben und welche die neue Kollektion Granfoulard inspirieren. Die beiden Protagonisten genießen eine Zeit der reinen Entspannung, einen unvergesslichen Ur-laub mit besonderen Momenten und Erinnerungen, die für immer bleiben werden. Das Haus wird zu einem warmen Rückzugsort, in dem sie Intimität, Energie und Wohlbefinden wiederfinden. Die Räume nehmen die Farben und Schattierungen des Sommers an, die von der Sonne ausgebleicht und von der Meeresbrise erfrischt werden, mit vielfarbigen, sich überlagernden Bildern. Granfoulard präsentiert eine originelle Interpretation der Muster und Dekorationen der kostbaren Stoffe, die an wunderbare Reisen in ferne Länder erinnern und eine Stilgeschichte erzählen, die neue Inspirationen und Impulse zu einer einzigartigen, frischen und modernen Kollektion verschmelzen lässt.

Spring - Summer 2025

In a charming location, plunged in the quiet of the Apulia countryside, the intense sun of a classic Italian summer brightens the landscape as the sea whispers away on the horizon. It is a magical setting where a mother meets her young daughter, returning after a long journey. The daughter shares the stories and feelings emerging from the discovery of different cultures, which inspire the new Granfoulard collection.

The two protagonists enjoy a time of pure relaxation, in an unforgettable holiday made of special moments and memories meant to last forever. The home becomes a warm nest to find intimacy, energy, and wellness again. The rooms take on the colors and shades of the summer, faded by the Sun and freshened by the sea breeze, with multicolor, overlapping images. Granfoulard presents an original interpretation of the patterns and decorations of the precious fabrics recalling marvelous journeys to distant lands, telling a story of style that melds new inspirations and catalysts to create a unique, fresh, and modern collection.

## INDIAN ROSES

Un prezioso *ramage* dal sapore orientale si ispira ai dettagli degli antichi tessuti persiani e indiani che sono rivisitati con un'eleganza ricercata creando una versione moderna dell'albero della vita. Nella parte centrale del disegno i fiori tono su tono sono declinati in nuances delicate, mentre sulla balza decorativa i ricchi elementi floreali mixati ai motivi paisley sono valorizzati da colori più decisi e brillanti. Il disegno è proposto in tre varianti: la prima nei colori pastello del verde acqua, turchese e rosa camelia con punte di fucsia; la seconda nelle tonalità luminose e intense del giallo limone; la terza nei toni delicati del sabbia, del rosa cipria, dell'avorio e del color pesca.

Eine kostbare *ramage indienne* mit orientalischem Flair, inspiriert von den Details alter persischer und indischer Stoffe und neu interpretiert mit einer modernen Darstellung des Lebens-baums. Im zentralen Teil des Musters sind die Ton-in-Ton-Blumen in zarten Nuancen dargestellt, während der dekorative Volant reichlich florale Elemente aufweist, die mit Paisleymotiven gemischt sind und durch kräftigere und hellere Farben hervorgehoben werden. Das Dessin Indian Roses gibt es in drei Varianten: Pastellfarben in Jade, Kamelienrosa und einem Hauch von Fuchsia; leuchtende und kräftige Zitronentöne; zarte Töne in Sandgelb, Blush, Elfenbeinweiß und Pfirsich.

A precious *ramage indienne* with an oriental flavor, inspired by the details of ancient Persian and Indian fabric and reinterpreted with a modern take on the Tree of Life. In the central part of the design, the tone-on-tone flowers are expressed with delicate nuances, while the decorative flounce features abundant floral elements mixed with paisley motifs and highlighted by stronger and brighter colors. The Indian Roses design comes in three variants: green water, turquoise and camellia pink with hints of fuchsia; bright and strong hues of lemon; delicate tones of sand yellow, blush, ivory white, and peach.

# KERALA

Un disegno elegante e sofisticato che richiama i motivi e gli elementi decorativi tipici ed esclusivi dello stile Granfoulard.

Un segno opaco dalle linee sottili e delicate crea dei medaglioni ornamentali ricchi di dettagli, con motivi paisley ed elementi floreali. L'insieme è valorizzato e impreziosito dal tradizionale fondo di colore sfumato. Il disegno viene interpretato in tre diversi mood cromatici dal sapore estivo: il primo abbina il blu del mare con i turchesi; il secondo unisce il verde smeraldo, con il color menta e il verde prato; il terzo mixa le tonalità vibranti del rosso vermiglio, con il corallo e l'arancio.

Ein elegantes und raffiniertes Dessin, das an die charakteristischen und exklusiven Dekorelemente des Granfoulard-Stils erinnert. Ein Strich aus matten Farben mit dünnen, zarten Linien formt detaillierte ornamentale Medaillons aus Paisleymustern und floralen Elementen.

Die Komposition wird durch den klassischen verblassten Hintergrund hervorgehoben und bereichert. Das Dessin drückt sich in drei sommerlichen Farbstimmungen aus: ein Dialog zwischen Marineblau und Türkis, Smaragd, gepaart mit Minze und Grasgrün, und lebhaftes Zinnoberrot-Töne, kombiniert mit Korallenrot und Orange.

An elegant and refined design recalling the trademark, exclusive decorative elements of the Granfoulard style. A stroke of matte colors with thin, delicate lines molds detailed ornamental medallions from paisley patterns and floral elements.

The composition is highlighted and enriched with the classic faded background. The design finds expression in three chromatic moods with a summery flavor: a conversation of navy blue and turquoise variants; emerald paired with mint and grass green; and vibrant hues of vermillion combined with choral and orange.

## CASABLANCA

Una ricca composizione floreale, fresca ed estiva, mixa il disegno delle peonie, degli ibiscus e dei glicini in un affascinante erbario fiorito. La balza è valorizzata da un raffinato decoro che si ispira ai preziosi ricami marocchini. Lo stile naturalistico del disegno si unisce alla valenza decorativa degli elementi in un insieme armonioso e suggestivo. Tre le varianti colore: la prima, in stile tropicale, unisce il marrone e il rosa orchidea con il rosa cipria e il verde; la seconda è declinata nelle fresche tonalità del blu marino, del turchese e dell'azzurro; la terza, calda e solare, abbina i toni del giallo limone, dell'oro e dell'arancio.

Eine reiche, frische und sommerliche Blumenkomposition, die Pfingstrosen, Hibiskus und Glyzi-nien in einem faszinierenden, blühenden Garten vereint. Der Volant ist mit einer feinen Dekoration verziert, die von kostbaren marokkanischen Stickereien inspiriert ist. Der naturalistische Stil des Dessins verbindet den dekorativen Wert der einzelnen Elemente zu einem harmonischen und stimmungsvollen Ganzen. Er ist in drei Farbvarianten erhältlich: Die erste Variante hat einen tropi-schen Stil, bei dem sich Braun und Orchidee mit Rot und Grün mischen; die zweite findet ihren Ausdruck in den frischen Farbtönen von Marineblau, Türkis und Hellblau; die dritte, warme und strahlende Variante kombiniert die Farbtöne von Zitrone, Gold und Orange.

Ispirazioni afro che vengono reinterpretate in chiave contemporanea, con uno stile originale e personale, per un disegno raffinato e dal forte impatto estetico. La scelta di texture ben definite e l'utilizzo di colori sofisticati creano un mix suggestivo di nuove geometrie arricchite da decori ornamentali ricercati. Il disegno è declinato in due varianti colore: una nei toni profondi dell'ebano, del blu cobalto e del caffè e l'altra più leggera e luminosa nelle tonalità dell'avorio e dell'amaranto, con tocchi di tangerine e rosso mattone.

## IBISCUS TATTOO

I fiori tropicali sono interpretati con uno stile inedito e originale grazie all'utilizzo di morbidi colori acquerellati e di trasparenze che lasciano intravedere sullo sfondo un decoro paisley dal segno grafico. Il disegno crea un effetto tattoo che viene modulato con intensità cromatiche differenti dando movimento all'intera composizione. La balza riprende i motivi del fondo che vengono declinati in tonalità diverse. Due le varianti cromatiche: una nei toni intensi del blu e del turchese, l'altra molto delicata nei colori caramello e pesca.

Tropische Blumen werden mit einem brandneuen, originellen Stil interpretiert, der sanfte Aquarell-töne und Überlappungen verwendet, die ein Paisleymuster mit modernem Touch halb durch-scheinen lassen. Das Dessin erzeugt einen Tattoo-Effekt, der durch verschiedene Farbsättigun-gen angepasst wird und die Komposition belebt. Der Volant passt zu den Hintergrundmustern, die in verschiedenen Farbtönen gehalten sind. Das Dessin ist in zwei Farbvarianten erhältlich: in intensiven Blau- und in Türkistönen und in einer zarten Kombination aus Karamell und Pfirsich.

Tropical flowers are interpreted with a brand-new, original style that uses soft watercolor touches and overlaps allowing a paisley design with a modern touch to be half-seen. The design creates a tattoo effect adjusted through different color saturations, enlivening the composition. The flounce matches the background designs, expressed in various hues. The design comes in two color variants: intense shades of blue and turquoise, and a delicate combination of caramel and peach.

# PALLAVICINO

Un disegno ispirato dalle bellezze floreali del Parco Pallavicino a Stresa. I fondi colore, profondi e dalle sfumature leggere, danno risalto all’eleganza dei decori impreziositi da dettagli ricercati. Sulla balza il disegno di delicati ricami floreali si alterna a geometrie dalle forme circolari in una greca di grande impatto. Il motivo è declinato in due nuove proposte cromatiche: una nei colori smeraldo lime e oliva e l’altra nel bluette abbinato al celeste.

Ein Dessin, das von der floralen Schönheit des Pallavicino-Parks in Stresa inspiriert ist. Die tiefen und leicht schattierten Farbhintergründe unterstreichen die Eleganz der mit raffinierten Details versehenen Verzierungen. Auf dem Volant wechseln sich zarte florale Stickereien mit kreisförmigen Geometrien im griechischen Stil ab. Das Dessin wird in zwei neuen Farbkombinationen präsentiert: eine Mischung aus Smaragd-, Limetten- und Olivgrün sowie eine Harmonie aus Kornblumenblau und Hellblau.

A design inspired by the floral wonders of Parco Pallavicino in Stresa. The deep and gentle color backgrounds highlight the elegance of decorative patterns with precious details. On the flounce, the floral embroidery design alternates with round shapes to form a visually impactful Greek fret. The design is presented with two new color combinations: a mix of emerald, lime, and olive green; and a harmony of cornflower blue and light blue.

# ISOLABELLA

Il fascino di questo disegno ci trasporta nel giardino barocco all’italiana dell’Isola Bella sul lago Maggiore. Un classico motivo paisley che viene interpretato con il tradizionale stile Granfoulard prendendo ispirazione dalla vegetazione dell’isola. Le morbide volute, arricchite da preziosi dettagli vegetali, avvolgono gli elementi decorativi e i piccoli fiori. La semplicità della balza valorizza l’insieme con un cambio di colore caratterizzato da uno chevron di micromotivi. Il disegno è proposto in due nuove varianti estive e fresche: una fredda sui toni dei blu marini e celeste ed una calda e solare nei toni dell’arancio e del corallo.

Der Charme dieses Dessins versetzt uns in den italienischen Barockgarten der Isola Bella am La-go Maggiore. Ein klassisches Paisleymotiv wird im traditionellen Granfoulard-Stil interpretiert, der sich an der Vegetation der Insel orientiert. Die weichen Wirbel, die mit kostbaren Pflanzendetails angereichert sind, umhüllen die dekorativen Elemente und die kleinen Blumen. Das unverzichtbare Volant-Dessin wertet das Gesamtbild durch einen Farbwechsel mit einem Che-vron aus Mikro-Mustern auf. Das Dessin ist in zwei neuen, sommerlichen Varianten erhältlich: eine kühle Version in Marineblau und Hellblau und eine wärmere, sonnenverwöhnte Kombination aus Orange und Korallenrot.

The appeal of this design carries us to the Baroque Italian Garden of Isola Bella, on Lake Maggiore. A classic paisley motif is interpreted with the traditional Granfoulard style, drawing inspiration from the island’s flora. The soft paisley elements, enriched by precious plant details, envelop decorative patterns and little flowers. The essential flounce design adds overall value with a change of colors featuring a chevron of micro-patterns. The design finds two fresh new summer expressions: a cold version with hues of navy blue and light blue; and a warmer, sun-kissed combination of orange and choral.
